

How to Become a Remote Online Notary in Maryland

1. Hold an existing commission as a traditional Notary Public.
2. Contract with technology provider(s). www.securedsigning.com
3. Send to helpdesk@securedsigning.com a request for your digital signature/stamp. These are included with your subscription
4. Download and complete the [Remote Notary Notification Form](#).
5. Send your form along with a copy of your current commission to remotenotary.sos@maryland.gov.

Once you have been approved by the MD SOS please register and set up your account: Go to www.securedsigning.com > Pricing > Notary Pricing > Business Plan > Buy Now and follow the prompts to register your account. Here is a link that reviews the additional steps to add Remote Online Notarization to your account: <https://player.vimeo.com/video/483250125>

Once completed, register for our training classes at the below link.
